*"I only drink champagne when I'm happy, and when I'm sad.
Sometimes I drink it when I'm alone.
When I have company, I consider it obligatory.
I trifle with it if I am not hungry and drink it when I am.
Otherwise I never touch it - unless I'm thirsty."*

—Madame Lily Bollinger

"Wine is a living liquid containing no preservatives. Its life cycle comprises youth, maturity, old age, and death. When not treated with reasonable respect it will sicken and die."
